Dear Mr. Rick Mueller,

This letter is to certify that you and your group of performers from Pride Not Prejudice presented a workshop on the topic of HIV and AIDS to our students on January 26, 2009. We are looking forward to a second workshop on May 20, 2009.

We appreciate that you are returning to our school as we found the first workshop to be engaging and informative. It is an extremely important message for our students to learn.

Thank you so much for bringing such a valuable presentation to our school.

Sincerely,

A handwritten signature in cursive script, appearing to read "Caron Pinkus".
