To Whom It May Concern:

It is without reservation that I recommend the HIV and Pride Workshop. Rick Mueller and his actors staged performances for our students throughout the spring of this school year. At each performance students were first shocked and then sympathetic to the problems the characters were forced to overcome. It was amazing to see the students' change in attitude from the beginning of the performance, a conversation with Rick, to the end of the performance, a question and answer session with Rick and his actors.

Rick was instrumental with the students and staff at our school beginning conversations on the spread of HIV and teen homosexuality. Many of the students attended more than one of the performances. This serves as evidence of the students' appreciation of Rick's efforts.

We applaud Rick Mueller and will continue to support the HIV and Pride Workshop.

Sincerely,

Gary Beidleman, Principal
